## Nursing and Physician Case Reviews

Many a pennant run has been traced back to that one play, in one or two games that changed the outcome of the entire season. In our case reviews, we excel at identifying the game changing moments that impact outcome. Our nursing and medical team bring diversity and experience to the table when reviewing your case.

### We review:

- ❖ General Liability
- ❖ Auto Liability
- ❖ Product Liability
- ❖ Workers' Compensation
- ❖ Medical Malpractice

### We can assist you with any or all of the following:

- Screen Medical Related Cases for Merit, Causation, Contributing Factors and Damages
- Provide Medical Chronologies to Your Specification of Detail
- Provide Comprehensive Case Evaluation Strategies
- Assist in Identifying Potential Defendants
- Evaluate for Tampering within the Record
- Research Medical-related Cases
- Identify Applicable Standards of Care and Evaluate Case for Deviations
- Identify and/or Assist with Obtaining Case Appropriate Medical Specialist/Experts
- Assist with Development of Interrogatories, Deposition

We dissect the medical portion of the case in order to assist the attorney in developing an appropriate strategic plan based on the evidence within the record.
